

Wills – Prerogative, Ireland

Part 3

Before 1858, grants of probate and administration were made by the courts of the Church of Ireland (the Prerogative Court and the Diocesan or Consistorial Courts). Some of these indexes have been published and one of the most important is the *Index to the Prerogative Wills of Ireland 1536-1810*, edited by Sir Arthur Vicars, originally published at Dublin, Ireland 1897. Some of these wills are no longer extant but some may be found in *Betham's Extracts* (in the National Archives).
